Timberhaven Log Homes Celebrates 1-Year Anniversary

Lewisburg, PA: On April 16, 2014 Timberhaven Log Homes will observe its 1-Year Anniversary. In celebration of the milestone, the destined industry leader will release a new website: www.loghomedesigncenter.com. The “design center” was created to introduce log home enthusiasts to hundreds of plan ideas. There are over 300 designs on the site and nearly 20 interactive plans. Customers can search the plans, see what features appeal to them, and then work with their local sales representative to implement modifications to these already established designs or customize their own dream log home.

In addition to the newest website launch, over the past year the company has also

- Developed and acquired the necessary equipment to produce a unique laminated product line which has resulted in 65% of the company’s sales
- Established the largest and most professional sales network in the country
- Educated hundreds of log home enthusiasts via events at the corporate facilities, face-to-face meetings at our independent locations, and online
- Launched the main company site www.timberhavenloghomes.com
- Across the US and internationally, assisted dozens of buyers in realizing their log home dream

Jim Gilbert, an experienced log home contractor from Bloomsburg, PA says, *“I have been building log homes exclusively for 18 years. Being the builder for several different log home companies, there are certain aspects of building Timberhaven Log Homes that sets the company apart from others. I enjoy their attention to detail, quality of material and most of all for supplying a ‘complete’ log home. I am also excited about the fact that they manufacture their very own laminate logs. I like working with Timberhaven Log Homes and believe they are the future to finest quality log home.”*

Timberhaven Log Homes provides quality, affordable kiln-dried log homes and cabins. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in log home living. Timberhaven’s highly trained and skilled professionals, log home manufacturing process and kiln-dried solid/laminate logs are second to none in the log home industry.
