

Timberhaven Log Homes Celebrates Anniversary

For immediate release: Lewisburg, PA

On April 16, 2015 Timberhaven Log Homes will observe its 2-Year Anniversary. In addition to assisting over 30 couples in realizing their dream log home, over the past year the company has:

- Developed the massive 8" x 12" laminated log profile
- Internationally shipped a 6,600 square foot log home to Ireland
- Established the largest and most professional sales network in the country, including new independent dealerships in South Carolina and Washington
- Educated hundreds of log home enthusiasts via events at the corporate facilities, face-to-face meetings at our independent locations, and online
- Released an online journal, known as the "blog"
www.timberhavenloghomes.com/blog
- Launched into the Post & Beam/Timberframe market by designing and manufacturing its first post & beam custom home

The company will host its annual Planning & Construction Workshop on Saturday, May 2nd, 2015 at its manufacturing facilities on Swartz Road. Log home and post & beam enthusiasts, builders, and the like are welcome to attend. There is no charge for the one-day seminar.

Timberhaven Log Homes provides quality, affordable kiln-dried log homes and cabins. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in log home living. Timberhaven's highly trained and skilled professionals, log home manufacturing process and kiln-dried solid/laminate logs are second to none in the log home industry.
