

## PRESS RELEASE

### Timberhaven Hosts 70+ at Annual Meeting

For immediate release: August 13, 2015

Timberhaven Log Homes hosted their 3<sup>rd</sup> Annual Sales Meeting in Lewisburg, PA on Saturday, August 8<sup>th</sup> 2015. Approximately 70 dealers from across the country joined forces to learn about new product offerings and marketing materials, gain a better understanding of the company's processes, and take part in cutting-edge training sessions.

Topping the list of new product offerings is the company's plan to supply post and beam home packages in addition to log home packages. In order to encompass the new line in its name, the manufacturer has modified its company name from Timberhaven Log Homes to Timberhaven Log and Timber Homes.

Hybrid home accents such as cedar shake shingles, stone veneer, interior sliding barn doors are also being offered to all log home and post and beam home customers.

The company also released a new 64-page plan book that incorporates a total of 50 homes designs (including 7 brand new plans), a guide to log home planning, a design checklist and more. The book is free to consumers.

Additional cutting-edge materials were released including:

- [Engineered Log Advantages Video](#) (click to view)
- [White Paper: Laminated Logs in Log Home Construction](#) (click to view)
- Floor Plan searching tool on the company's [main website](#) (click to view)

The sales network was also provided with pricing tools and an estimating guide to help streamline the estimating process for future buyers.

Timberhaven Log and Timber Homes, LLC provides quality, affordable kiln-dried log homes, log cabins, and post and beam homes. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in home living. Timberhaven's highly trained and skilled professionals, manufacturing process and kiln-dried solid/engineered logs are second to none in the log home industry.
