## **PRESS RELEASE**

### **Timberhaven Releases Blog about Logs**

For immediate release: August 4, 2014

In response to the overwhelming digital marketing and social media era, Timberhaven Log Homes recently launched a new blog about logs: [www.timberhavenloghomes.com/blog](http://www.timberhavenloghomes.com/blog).

The blog will encompass articles with topics ranging from:

- Log home construction projects – from start to finish
- Floor plan design ideas and considerations
- Building sustainably
- Cost-saving tips and ways to overcome financial hurdles
- Instructions on how to compare log home estimates
- Ways to care for your log home
- And so much more...

Currently Timberhaven is “blogging” about a White Pine 8” x 12” laminated log home under construction in Pennsylvania.

Joe Folker, principal at Timberhaven Log Homes says, “Our goal is for this blog to serve as a resource for anyone considering log for their custom built dream home or cabin. We look forward to connecting with our audience via this innovative tool.”

Timberhaven Log Homes, LLC provides quality, affordable kiln-dried log homes and cabins. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in log home living. Timberhaven’s highly trained and skilled professionals, log home manufacturing process and kiln-dried solid/laminate logs are second to none in the log home industry.
