PRESS RELEASE

National Trade Publication Features Local Manufacturer

For immediate release: December 20, 2016

Middleburg, PA – *Log Cabin Homes* magazine featured Timberhaven Log & Timber Homes in its bi-monthly issue released today, December 13, 2016. The feature article, titled *Into the Woods*, showcased a stunning 6-page photographic spread of a Timberhaven log home. The home was additionally displayed on the cover of the magazine (shown here).

The story outlined a couple's personal log home journey – from land acquisition, research and planning, working with Timberhaven, to execution. The log cabin, located in a private community on top of Pohopoco Mountain, perfectly complemented the *Country Cabin Getaway* issue.

"The editorial staff at *Log Cabin Homes* magazine often contacts Timberhaven Log & Timber Homes for expert advice about log home building. When Bobbi Landis, Timberhaven's Marketing Manager, sent us images of this cozy cabin and asked if we'd like to feature it in the magazine, we immediately said yes," reports Diane Hintz, the magazine's Editor-in-Chief. "We knew our readers would love to see photos of this beautiful eco-friendly DIY home, plus we always enjoy working with the friendly, knowledgeable people at Timberhaven."

A collaboration of local talent, Timberhaven Log & Timber Homes hired Allen Mowery Photography, located in Mifflinburg, PA, to professionally photograph the custom log home earlier this year.

Timberhaven Log & Timber Homes, LLC provides premium-quality kiln-dried log homes, timber frame homes, and log cabins. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in log home living. Timberhaven's highly trained professionals, log home manufacturing process and kiln-dried engineered logs/traditional solid logs are second to none in the log home industry.
