## PRESS RELEASE

### Triangle Tech Students Tour Local Manufacturing Facilities

**For immediate release – December 10, 2018** Students from Triangle Tech in Sunbury recently toured the manufacturing facilities of Timberhaven Log & Timber Homes, LLC located at 1081 Salem Church Road, Middleburg, PA. More than a dozen students and instructors from the Carpentry & Construction Technology Associate’s Degree Program participated in the tour.

Kevin Hoover, Tech Specialist at Timberhaven, provided the students with a personalized tour of Timberhaven’s production facility. Students also enjoyed a step-by-step demonstration of the company’s renowned laminating process. The tour was concluded after the students had the opportunity to inspect Timberhaven’s various display areas.

“Educational opportunities like this are important to help raise awareness for our specialty home construction market,” Kevin says. “Personally, I think the students enjoyed seeing how our materials are manufactured. Having an opportunity to discuss specialty log home and timber frame home construction was an added bonus.”

Timberhaven Log & Timber Homes, LLC provides quality, kiln-dried log homes, log cabins, timber frame homes, and timber accents. The company is known for taking great time and energy to make sure that every attention to detail has been met to provide the best value there is in log home living. Timberhaven’s highly trained professionals, log home manufacturing process and kiln-dried engineered logs/traditional solid logs are second to none in the log home industry. To learn more about Timberhaven, call 855-306-5678 or visit [www.timberhavenloghomes.com](http://www.timberhavenloghomes.com).
