

PRESS RELEASE

National Trade Publication Features Local Manufacturer

For immediate release: December 1, 2022

Middleburg, PA – *Log Cabin Homes* magazine featured Timberhaven Log & Timber Homes in its bi-monthly issue released on December 1, 2022. The feature article, titled *Lake Living*, showcased a stunning 6-page photographic spread of a custom Timberhaven log home located along Lake Barkley in Kentucky.

The story outlined Jamie and Ann Buskill's personal vision to create an inviting, cozy home where relatives and friends would gather yet have their own space to retreat to. The vacation home became a central hub for long weekends and holidays with its convenient access to abundant lake activities and majestic views.

Diane Hintz, Editor-in-Chief of *Log Cabin Homes* magazine, said, "We were delighted to learn about the Buskill's stunning Timberhaven home located on Kentucky's beautiful Lake Barkley. Our readers are looking for log-and-timber-home design ideas, and the Buskill home is beautifully designed with floor-to-ceiling windows and wrap-around porches overlooking the lake. It's an inspirational home that captures the essence of log home life—exactly the type of home we want to share with our readers."

Timberhaven Log & Timber Homes hired James Ray Spahn from Crested Butte, Colorado to professionally photograph the custom log home earlier this year.
